RULES: Current 2011 USA Rules will govern the format of the meet. All events are timed finals.

At a sanctioned competitive event, USA Swimming athlete members must be under the supervision of a USA Swimming member coach during warm-up, competition, and warm-down. All swimmers without a coach must report to the Meet Director or Meet Referee to make arrangements for such supervision.

Age as of July 15, 2011 will determine the swimmer's age group. Exhibition swimming will be allowed

at the referee's discretion.

The use of cell phones or any cameras are prohibited in the locker rooms. On deck changing is not allowed.

Any swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start or must start each race from within the water. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

All entries must include times or "NT". Submit short course meter times only.

The 25-meter races will be starting from the blocks. Stop watches will be used for time.

The meet will be pre-seeded. Please provide scratches and relay declarations 45 minutes before each session begins.

There will be a courtesy time standard of 16 minutes for the 800 Free, 8 minutes for the 400 Free, and 9 minutes for the 400IM.

Colorado Swimming, Inc. warm-up procedures will be observed.

Pool Depth: Start end: 1 meter – 4.5 feet, 5 meters – 5.5 feet. Turn end: 1 meter – 10.5 feet, 5 meters: 11.5 feet

The meet referee will have the final authority on all procedures regarding the conduct of the meet. The referee may combine individual events by age, sex, and/or distance. All coaches and uniformed officials must display their USA/CSI cards when on deck. Current certification is mandatory. Coaches that are in noncompliance will not be allowed on deck.

Warm-up and start times may vary. We will condense the format to make most expeditious possible use of time, but the ages of the sessions will not change. Please include a valid email address to notify teams of changes.

DISTANCE EVENTS: Positive check-in is required for each of the distance events. The swimmer or their coach must check in at the clerk of course within 30 minutes of the start of the day's session.

The 800 free, 400 IM, and 400 free will be deck seeded after positive check-in closes for each event. These events will be swum fastest to slowest, alternating girls then boys, with a combined heat possible at the discretion of the referee. The 800 free will be limited to the top 24 males and females.

*There will be a 5 minute warm-up before the 400 free, the 400 IM and the 800 free events.

800 and 400 free participants will be required to provide a counter and 2 timers. 400IM participants will be required to provide 2 timers.

ENTRIES: All swimmers may swim 3 individual events and 1 relay per day.

Relay Events \$ 5.00 per relay
Deck Entries \$ 8.00 per event, \$10.00 per relay
Swimmer Surcharge \$ 9.00 per swimmer (We apologize for the high cost, but that is what we need to collect to pay for the pool rental. The pool fees have increased substantially over the last few years.)

(\$.75 of each entry fee goes to the CSI support fund and \$.15 per event goes to Zone 4.)

Please make checks out to: **Montrose Marlins**

ENTRY PROCEDURE: Email entries to Cindy Sperling at cindysperling@gmail.com . When you email the entries, also attach a copy of the Hy-Tek Meet Entry Report by swimmer. **If you don't receive an email confirmation, your entries were not received.**

"NO TIME" or incorrect times will be placed in the slowest heat. Times for all events should be in short

course meters.

RESULTS: Results will be emailed within 2 days to teams entered in the meet. If time and equipment permit, results may be available at the end of the meet on thumb drive (Bring your own thumb drive). No paper copies of results will be generated unless asked for by a coach.

ENTRY LIMIT: Due to the number of swimmers expected, the meet will be limited to approximately the first 2100 individual splashes received. Teams, however, will not be split up (this pertains only to entries received at the same time while still under the cap of 2,100 splashes). Once the splash limit is reached, no additional entries will be accepted. This includes additional entries from teams already participating in the meet.

ENTRY DEADLINE: All entries must be received by midnight, Monday, July 11, 2011. No late entries will be accepted. Please note that if we reach our splash limit the entries will be closed, even if this occurs before the entry deadline. Should this occur, we will post it on our website (www.montrosemarlins.org). Please bring your checks and verification forms to the clerk of course on the first day of the meet.

DECK ENTRIES: Deck entries will be accepted only for open lanes. No new heats will be created. Deck entries will open at the start of warm-ups on Friday afternoon.

The deck entry fee is \$8.00 per event. Relay deck entry fees are \$10.00 per relay. Swimmers not previously entered in the meet must present their USA swimming registration card at Clerk of Course to be able to deck enter.

TIME TRIALS: We will be offering time trials after the second sessions on Friday and Saturday if time allows. We will determine the specifics after all the entries are in and some timelines are run.
